

Unitil Announces New Bill Payment Locations

July 29, 2003

Hampton, NH - July 29, 2003 -- Unitil Corporation (AMEX:UTL) www.unitil.com has just made bill paying easier. This month, in cooperation with Western Union, Unitil has added more convenient walk-in utility bill payment locations throughout its service areas. Visit the Unitil web site at www.unitil.com to find the nearest participating Western Union location.

"More walk-in payment locations means that customers who prefer paying their bills in person may have shorter trips to the closest payment center," said Unitil's Customer Service Manager, Mary Jane Cleveland. "We now have nine walk-in sites in North Central Massachusetts, three in the Concord, New Hampshire, area, and five in the New Hampshire Seacoast area."

Walk-in bill payment is one of more than a dozen flexible ways Unitil helps its residential customers manage their accounts. Other tools include:
